

LOCAL CHOICES

LINDEN HILLS
CO-OP
GROCERY & DELI

Items on this list are grown or produced in Minnesota, Wisconsin, Iowa, North Dakota and South Dakota. Locally-owned companies are included provided that, at minimum, some stage of production beyond re-packaging has occurred locally. Many local products are seasonal—so not every item on this list will be available at all times. We love to talk about our local producers—please ask us if you have any questions.
