

LOCAL CHOICES AT

Linden Hills Co-op
COMMUNITY MARKET

Please note: our local supplier list changes frequently — look for the  symbol on the shelf or produce signs for up-to-the-minute information.

We define “local” to include Minnesota, Wisconsin, Iowa, North Dakota and South Dakota, but our primary suppliers are from Minnesota and western Wisconsin.

*Some items are only available seasonally, so we may not have every item on this list at all times.
